" Attention is respectfully invited to the case of M  
Barlow, on same list, reported as Lieut. of Ordnance  
and appointed as such by Brig. Genl. Buford,

This person, I found previously at Wytheville  
in inspecting that Post, - in charge of the saddle  
factory of Morgan's [now Huke's] command. He then  
represented himself as having been appointed Lieut.  
of Ordnance by the War Dept. & stated, he had left  
letter of appointment in the hands of Col. Eorgas,  
Chf of Ord' for safe keeping. His report of his  
status was forwarded by me, per letter file.

Is he not a civilian & liable to conscription?

I called the attention of the Enrolling  
officer at Wytheville to this, & he only awaits  
definite information before arresting him.

His management of the saddle factory at  
Wytheville is now undergoing examination at  
that place."

EXECUTIVE DEPARTMENT.

Wilmington Jan'y 9<sup>th</sup> 1868-

Mr C. B. Blanton  
Sir

His Excellency Governor Vance  
has received your letter. He desires me to say that  
he regrets the hardships and privations to which  
our noble and patriotic soldiers are subjected.  
None of the evils however of which you complain  
are within his power of control, but he sincerely  
hopes the remedy may be applied by the proper  
authorities. North Carolina soldiers may ever  
rely upon his aid and co-operation in all proper  
measures, which may be necessary to promote  
their comfort.

Yours very respectfully

to the place of field Artillery is, as you are aware, all either in the field or in my Camp of Instruction near Canton. It is therefore necessary that I should have an Ordnance Officer attached to my command for reasons that will be fully explained to you. I therefore respectfully request that you will recommend the Secretary of War to appoint N. C. Barnes of the Ordnance Office with the rank of Captain and assign him to duty with my Regiment. In addition to his qualifications as an Ordnance Officer, Mr. Barnes is a civil Engineer of eminent ability and is, perhaps, as well acquainted with the topography of the Country adjacent to the Mississippi as any man in the State. In my battles with at least for the present, I am on the River, Mr. Barnes in addition to performing the duties of Ordnance Officer could render valuable assistance as an Engineer. I refer you with confidence to Brig. Genl.

My dear General

I received

your letter of the 10th inst. and in answer  
to inform you that I have been ordered  
to the office of the Adjutant General, and  
as an officer of the field of the 1st Regt. of  
Artillery, I am either in the field or in my Camp  
of instruction near Fort Mifflin - It is  
absolutely necessary that I should have an  
ordnance officer attached to my command for  
reasons that will be fully explained to you -  
I therefore respectfully request that you will  
recommend the Secretary of War to appoint  
W. C. Barnes of the 1st Regt. of Artillery  
with the rank of Captain and assign him to  
duty with my Regiment in addition to his qualification as an ordnance officer.

Mr Barnes is a civil Engineer of  
eminent ability and is perhaps a well  
acquainted with the topography of the Country  
adjacent to the Mississippi and even more so  
the State - As our batteries will at least  
for the present operate on or near the River,  
Mr Barnes in addition to performing the duties  
of an ordnance officer will be under valuable service  
as an Engineer -

I refer you with confidence to Brig. Genl.

I have the honor to have submitted the proceedings of the Genl. Ct. Martial assembled to review & reconsider their findings & sentences in the cases returned with yours of 13<sup>th</sup> Jan'y last. The reassembling of the Court was much delayed by the illness of Capt. Scott, the President. You will perceive, that, by the direction of the Court, the record in these cases have been corrected as to the pleas of the prisoners. They in point of fact having plead both to the charges and specifications; but my omission to so record it amounted simply to a clerical error. The record of proceedings first had shows that to be the case.

The punishment now assigned by the Court in these cases now, I fear, is not such as will meet the disapprobation of this Genl. Comdg. But I will add, by way of apology for the Court, that at the time of that part of these affairs descending occurred the system of investigation, conducted very loosely in this state and the regularity of the organization of the Battalion to which most of them belonged was for a time very seriously questioned. Tell the men at length were led to believe that they were not properly in the service, and thus liable to committal.

Adj. Genl. & Chf. J. J. Scott

Charleston S.C.

Sir:

It is probable that a question may arise as to the competency of the Genl. Ct. Martial now in session in this City, to try the case of Capt. St. J. Blocker (charged with drunkenness).

By reference to the order of Genl. Finegan detailing the Court, it will be seen that all the officers composing the Court are inferior in rank to Capt. Blocker - except Capt. Scott.

They are not however in the same line of the service, they being infantry officers, and Capt. B. a cavalry officer.

I desire to have all doubt on this subject removed, - and hope you will inform me, whether by the people, and the Court, in his case.

Enclosed I send proceedings of  
Genl Court Martial, in cases of - Rawls,  
Baker, Kemp, J. Kemp, Wainwright, J. H.  
Wainwright, Hain, Clay, & Capt. H. J. Block  
et al.

You will perceive that the Court has decided that  
it is not a qualified Court to try Capt Block.  
That decision was made before the receipt of you  
of 26<sup>th</sup> ult enclosing other charges against him.

And as the other charges, before prepared  
against him, had been returned to Genl Cobb  
to await another Court and as the Court  
was not satisfied of their competency in the  
case, it was thought best to pass them over  
also, & deliver them to Genl Cobb, for the Court  
that may be assembled to try him.

Dear Sir

This will be handed you  
by Mr. B. B. B. who is acting as distributing surgeon  
of this command. The Dr. goes to Jackson to  
make requisitions for our command for as long  
a time as you will allow. I earnestly hope  
you will have his regiments filled as nearly as you  
can consistently spare - as we have a great number  
of men and the command is being daily reinforced  
with troops from other quarters. I have never  
seen the invoice and unsigned receipts for the last  
shipment you made me. Be so kind as to have  
them forwarded at an early day. The bunks sent  
have not arrived. I suppose they are still en route  
as they are not at Tanigahoa.

Respectfully  
Yr. At. servt

Resignation had been accepted prior to receipt of this paper.  
2, 1863. Gen. Mackall applies for his appointment as Q. M. (Personal Papers.)  
30, 1863. Appointed Major Q. M. Department. Confirmed same day, to rank from Feb. 2, 1863. Accepted June 24, 1863, to report to Gen. Mackall (then on duty in the District of the Gulf.) (Report, A. O.)

16, 1864. Referred to by Gen. Maury in a letter to Gen. Polk as Major Barnwell.  
The tenor of the letter indicates that Major B. was not under Gen. Maury. (Volume 32, Part 2, page 566.)

1864. Received copy of an order assigning Maj. B. to duty at Mobile, and complains that such an order was embarrassing to the service. (1-63-1068 B.)  
From Record Book, order not found.)  
11, 1864. Gen. Maury hopes that Q. M. G. will relieve Major Barnwell from duty at Mobile and intrust his affairs to one of his quartermasters. (Volume 32, Part 3, page 772.)

26, 1864. Relieved from duty at Mobile, Ala., and assigned as Q. M. Chalmers' Div. Forrest's Cavalry. (S. O. 206 A & I. G. O. Volume 39, Part 2, page 798.)

Dec. 14, 1864. Signs as Chief Q. M. Chalmers' Division, Army of Tenn. (S. O. 206 A & I. G. O. Volume 45, Part 2, page 244.) 667  
Note. General Mackall was in command of the District of the Gulf from December 14 to December 23, 1862, and in command of the Western Division of that District from the latter date until April, 1863, when he was assigned to duty as Chief of Staff to General Bragg. It is inferred that Major Barnwell remained with him as Chief Q. M. On Aug. 14, 1863, he signs papers as Asst. Chief Q. M. Dept. of the West. (J. M. J.) Station Mobile. Also on October 7, 1863, and February 19, 1864, in April, 1864, he receipts to Maj. E. C. Mohler, by order of the Q. M. General, for stores, and it is presumed that at this time he assumed the duties of Post Q. M. at Mobile, and that he remained in that position until relieved August 26, 1864.

Office of Depot for M. C. S. A.  
Mobile 26<sup>th</sup> May 1864

From Major Claud McGiann consolidated estimates for the  
Stores for 2<sup>d</sup> Qr 1864 & referred to me through your office came to hand  
yesterday and after a careful examination of the same must agree  
with your endorsement; that the articles called for are in cases of the  
actual wants of the Troops serving in the Dept of the Gulf.

Your telegram under date 7<sup>th</sup> inst. authorizing me to issue in  
advance of the Receipts of Major Claud McGiann consolidated estimates  
any supplies on hand we may need except Blankets, comes duly to  
hand, & I have since been issuing stores for the Dept of the Gulf  
on orders approved by Major McGiann, previous to receipt of said order  
I was transferring stores for the use of Genl Maury's command under  
your authority by the Mines dated Richmond 20<sup>th</sup> April. I would send  
you a full statement at this time of all the receipts & issues made  
from my Depot since commencement of this quarter, but will defer  
doing so until 31<sup>st</sup> inst.

At this time I have no clothing or shoes on hand, Major  
McGiann says he will require three thousand suits, I think that  
3500 suits will meet his wants, & therefore telegraphed you yesterday  
I will require for Genl Maury's command twenty five hundred  
garbets, Pants, Shoes, & drawers & shirts please order the same  
to be forwarded to me from Major Cunningham or Major  
Pillards & Depots, in addition to the clothing I will require  
1000 Mule Suits, I have all the facilities for manufacturing

all the Stores required, provided I am placed in possession  
of the material, I wrote to Major Cunningham in New  
Orleans to furnish me Kersy, Shutey, & Osunings, he  
replied that the limited supply of material on hand  
just now will not justify the employment of other operatives,  
or seamstresses, I must therefore rely upon being supplied  
with clothing from other manufacturing shops, to your  
orders - The requisition for Stationery for Genl Polke's command  
I cannot fill according to your endorsement at this time, from  
the fact that my stock has been much reduced by issues  
to Genl Maury's Command. Having transferred up to this  
time to Major Mosley, by order Major Charles McGowan  
informs to the receipt of his consolidated Requisition, 800 Quin  
Cap Paper, 1000 Quin Letter Paper & 600 Quin Note Paper, which at  
the time of issue I considered in excess of his actual wants,  
but was governed by your order 7<sup>th</sup> inst, his consolidated  
Requisition for the quarter calls for 600 Quin Letter 400 Cap &  
200 Quin Note - The Steamers "Pony" & "Mary" are expected  
here about 1<sup>st</sup> or 2<sup>d</sup> June and Major Helen informs me by  
letter that they will forward by said Vessels a large assortment  
of stores for our use & expenditure, should I receive Stationery will  
respond to the wants of Genl Polke's Command according  
to your endorsement -

I am much in need of funds to meet my outstanding  
debts, & I trust arrangements have been made to furnish  
me with a supply -

Very Genl A. A. Layton

 14th Nov 1862

Sir,

Richmond, 7<sup>th</sup> Sept. 14<sup>th</sup> 1863

Having ascertained that the enemy are in the immediate vicinity of my home, near Rome, Georgia I have the honor to make application for a leave of absence, of sixty days duration, to visit that place. I desire, as soon as I shall have arrived to join, as a volunteer pro. temp., the command of Col. Isaac <sup>Tracy</sup> ~~Tracy~~ 3<sup>rd</sup> Regt. Ga. Cavalry, stationed in the vicinity to fight until the enemy shall have been driven back and then to return promptly to duty at this Office.

My reasons for making this application for leave are: that my Father, unmarried sister, motherless nephew, and brother (who is in Savannah beyond duty) are the only relatives I have in America. My Father is from age unable to care for my sister or himself. The estate is a large one, having a number of negroes, stock, valuable dwellings and furniture, besides over \$100,000 in bonds, silver and valuable papers (titles to lands &c.). My object is to save what I can, remove my Father & sister to a place of safety, and then fight for the balance of the property. There is no white man in our valley, capable of rendering any assistance, except having joined the enemy. My relations are exposed to the rapacity of the enemy & the brutality of the

about the camps, and tempted them to appropriate to themselves articles of value, to the detriment of the public service."

#### FINDING AND SENTENCE OF THE COURT.

The Court find the accused, Major JOHN G. BARNWELL, Corps of Artillery C. S. Army, "*not guilty*" of the Charges and Specifications preferred against him, and do therefore *honorably acquit him*.

II. The proceedings in this case, being irregular, in the essential particular that one of the members of the Court, who appears by the record to have been absent one day while the testimony was taking, afterwards resumed his seat, and participated in the further action of the Court, thereby vitiating its judgment, are disapproved.

While there is nothing in the record of this case to have any imputation upon the courage and zeal of Major BARNWELL, and his skill and judgment in managing his troops, his appropriation of the arms and equipments to the use of the men under his command, is not justified by any exigency that seems to have existed, nor to have been made with proper regard for the responsibility of the officer under whose immediate charge they were.

Neither Major BARNWELL or Major SUMMERS, Assistant Quartermaster (the prosecutor in the case), seem to have apprehended the extent of their duty in regard to the proper protection of these public stores, and as their failure and want of a hearty co-operation, some loss of public property is undoubtedly done.

Major JOHN G. BARNWELL, Corps of Artillery, C. S. A., is released from arrest, and will return to duty.

III. The General Court Martial, of which Col. GEORGE P. HANCOCK, JR., 3d Regiment Georgia Volunteers, is President, is dissolved.

I. At a General Court Martial, convened at Tallahassee, Florida, on the 12th day of September 1862, by virtue of Special Orders, No. 191, dated August 16th, 1862, from the Adjutant and Inspector General's Office, Richmond, whereof, Colonel GEORGE P. HARRISON, Jr., 39d Regiment Georgia Volunteers was President, was arraigned and tried, Major JOHN G. BARNWELL, Corps of Artillery U. S. A., on the following Charges and Specifications:

CHARGE I.

*Abandoning his Post.*

*Specification.*—In this, that Major JOHN G. BARNWELL, while in command of the detachment of troops at or near New Smyrna, Florida, for the purpose of protecting the government property landed at that point by the steamers "Kate and Corbin," did, on or about the 11th day of March 1862, abandon his post or position, withdrawing all the troops of the command off, leaving the arms and ammunition and other valuable property, which he was under orders to protect, abandoned to such evil disposed persons as might choose to take them away, and to the enemy, whose approach in that quarter was immediately expected.

CHARGE II.

*Conduct Subversive of Good Order and Military Discipline.*

*Specification.*—In this, that the said Major JOHN G. BARNWELL, after abandoning his command, and while proceeding in the direction of Tallahassee, Florida, through the interior of the State, did state to divers persons in the country, "that the property landed at Smyrna was abandoned." "That he believed the last package had crossed the St. John's river." "That the only way to save even a portion of it, was for the people to rush over and take what they could carry off in their hands." "That there were splendid guns, swords, pistols, shoes, blankets, &c., which could be had for the taking, or words and expressions of like tenor; which words and expressions did induce many to congregate

This image shows a single page from a lined notebook, oriented vertically. The page is characterized by numerous horizontal lines that create a striped pattern. The lighting is very dark and uneven, with the left half of the page being almost entirely black due to deep shadows. The right half is slightly brighter, revealing the texture of the paper and the individual lines more clearly. There are no legible words or figures on the page.

Sir

WAX DET  
I respectfully apply for  
a Commission as 2<sup>nd</sup> Lieut. in either the 1<sup>st</sup>  
Regt. S.C. Regular Arty, or 1<sup>st</sup> Regt. S.C. Regular  
Infantry - in both of which Regts there have  
have lately occurred vacancies.

Since the 13<sup>th</sup> Apr. 1861 I have been serving  
continuously in the Army, first as private,  
and, for the last thirteen months, as surgeon  
of the Beaufort Vol. Artillery. & have been present  
in the actions in which that Co has  
been engaged.

I am a native of Beaufort S.C., &  
have always been a resident of South  
Carolina.

I beg to call your attention to  
the accompanying endorsements recom-  
mending my appointment.

Very respectfully,

Your obt. servt.

L. E. Basswell

Sgt. B. A. S.

Head Quarters 1st Co.  
Vancouver July 26.

I know Supt. Stephen  
Barnwell well, he having  
served under my command  
for the last fourteen  
months.

In the many enterprises  
in which his gallant Co.  
has been engaged, he has  
proved himself brave, in-  
telligent, trusty, & skil-  
ful.

With high qualifica-  
tions to recommend his  
promotion, he combines  
a modesty and conciliatory  
of deportment that would  
make his comrades as  
well as his superior of-  
ficers glad of his  
success.

W. Walker  
Brig. Gen. in charge

Head Quarters 1st Co.  
Vancouver July 26.

I cordially approve  
the enclosed applica-  
tion. Supt. Barnwell  
has frequently been  
assigned to positions  
of great trust and  
responsibility and  
has invariably conducted  
himself with singular  
judgment and gallant-  
ry. He is decidedly  
thoroughly qualified for  
such a Commission  
than any man in  
the ranks with whom  
I have been placed in  
contact.

Stephen Barnwell  
Major & Chf. of 1st Co.

I with confidence  
approve of the en-  
closed application of  
Supt. Barnwell. He  
has long been a mem-  
ber of the "Hornet"  
club and for the last  
months a very active  
member. His conduct as a  
soldier has always  
been unexceptionable  
and he is in every  
way competent to  
fill the position  
for which he has  
applied.

Sir

I respectfully beg to call your attention to the accompanying Application and its Endorsements.

You will find that it is an Application for a Commission in either the 1st Regt S.C. Regular Artillery or in the 1st Regt S.C. Regular Infantry.

Since making this, however I have incidentally discovered that the vacancies in those Regiments have already been filled, I therefore beg that, in addition to the above named Regiments, you will include the Lincoln Battalion, where, as I have been informed, there are a few vacancies existing.

I remain very respectfully  
Your obedient servant  
Sgt J. B. Amwell
